

Our Mission is

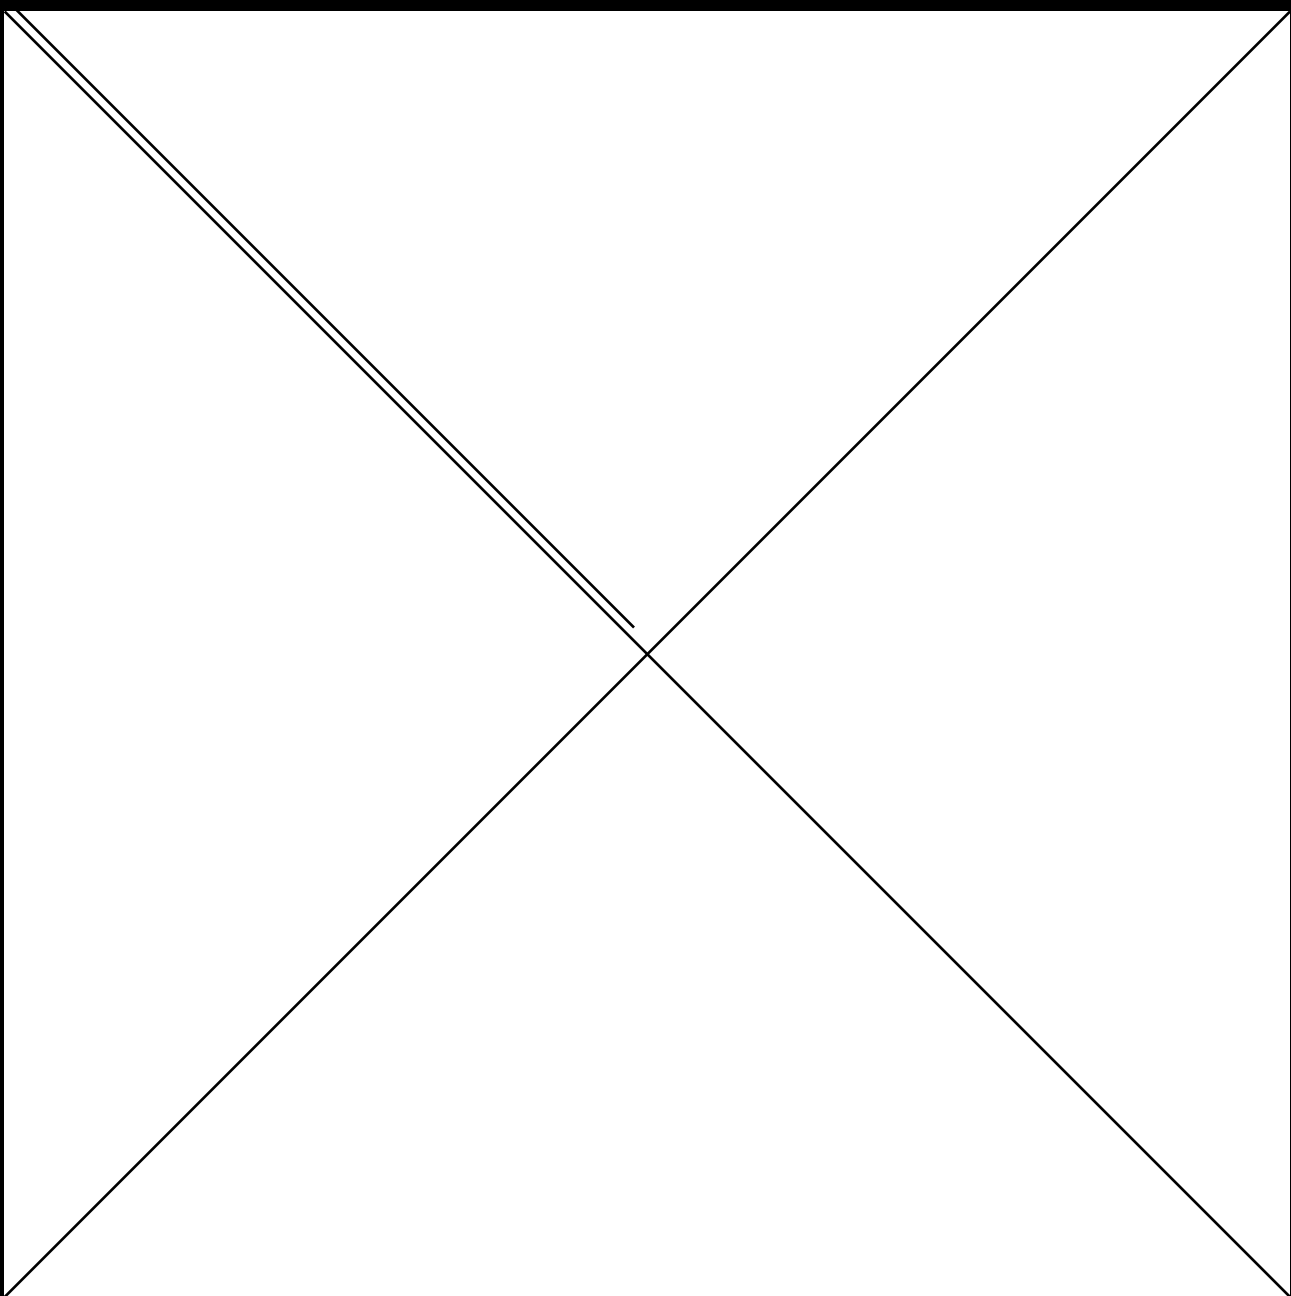

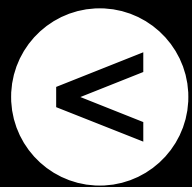

to support the Kentucky arts community by providing referrals to attorneys that are willing to offer pro-bono legal services to qualifing artists and arts organizations.

KyLA is a "lean" organization that operates entirely online. In order to provide our referral services free-of-charge, we do not occupy a physical office and we rely entirely upon volunteers. By operating without overhead we are able to maintain our independence and flexibility while ensuring our efforts are entirely focused on helping Kentucky artists.
